Dear Ms Pashley

### **Neighbourhood Plan for AB KETTLEBY**

Thank you for consulting Historic England about your Neighbourhood Plan.

The area covered by your Neighbourhood Plan encompasses Ab Kettleby, Holwell and Wartnaby Conservation Area and includes a number of important designated heritage assets including 4 Grade I or GII\*, 25 GII listed buildings and the Moated site at Ab Kettleby Schedule Monument. In line with national planning policy, it will be important that the strategy for this area safeguards those elements which contribute to the significance of these assets so that they can be enjoyed by future generations of the area.

If you have not already done so, we would recommend that you speak to the planning and conservation team at Melton Council together with the staff at Leicestershire County Council archaeological advisory service who look after the Historic Environment Record. They should be able to provide details of the designated heritage assets in the area together with locally-important buildings, archaeological remains and landscapes. Some Historic Environment Records may also be available on-line via the Heritage Gateway ([www.heritagegateway.org.uk](http://www.heritagegateway.org.uk) <<http://www.heritagegateway.org.uk>>). It may also be useful to involve local voluntary groups such as the local Civic Society or local historic groups in the production of your Neighbourhood Plan.

Historic England has produced advice which your community might find helpful in helping to identify what it is about your area which makes it distinctive and how you might go about ensuring that the character of the area is retained. These can be found at:-
