Dear James,

I refer to my emails earlier this week.

Please find attached four representations from Gaddesby Community Group in respect of the focused changes to the Melton Plan. As agreed we have attached a separate spreadsheet listing the residents whom we represent.

Please can you confirm receipt of these representations and ensure that they are logged prior to the deadline of 23 August 2017.

Many thanks and kind regards

Janette Gadd on behalf of Gaddesby Community Group
