Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

We were told that an additional 70 houses were to be built in Frisby to comply with Government policy. We were asked to select one of three sites to provide the necessary number. However, the Local Plan, as shown at the Village Hall recently, now shows that all three sites are included in the Local Plan, which would add nearly 200 houses to the village. Since then I believe that Hayward's land, off Mill Lane, is to be included, giving an additional 200 houses. To increase the size of Frisby from approx. 200 houses to about 600 is hardly compliant with the notion of an English Village; it may be more representative of a small town, but without the facilities. An additional 70 houses would be bearable but not without problems, but something in the region of 400 houses would destroy this village completely.
