3. If you answered No to 'sound', please answer this question... Do you consider that this policy is unsound because...

Please select all that apply

✓ it's not positively prepared

✓ it is not justified

✓ it isn't effective

✓ it's not consistent with National Policy

Please provide comments for why you believe it is unsound or fails to comply with the duty to co-operate. OR If you wish to support the legal compliance or soundness of this policy, or its compliance with the duty to co-operate: (Required)

The MBC plan contravenes the guidelines set out in the National Planning Practice Guidance which seeks to empower local communities to produce Neighbourhood Plans that propose sound, compliant planning solutions that conform to any additional development requirements. The local community has worked tirelessly to develop such a plan that meets the requirements imposed by MBC. This neighbourhood plan has been afforded absolutely no consideration to date, and even more worrying, the planning applications for the proposed Frisby sites appear to be moving at a faster pace than the MBC Local Plan. This is incredibly unsound as the future planning decisions of these sites are likely to be decided before the MBC Local Plan proposal is complete. Small, picturesque villages are the jewel in the crown of the Leicestershire countryside. One such example is Frisby on the Wreake, an historic village lying in the Wreake valley in the borough of Melton. Frisby village is well known throughout Leicestershire. It is a popular destination for walkers who come to enjoy the numerous public footpaths offering exceptional views over the Wreake valley, the river Wreake and Frisby lakes. The village is also a common stop off point for visitors to Melton Mowbray (The Rural Capital of Food) who drop in to partake of the fine beers and food available at the village Inn. The current Melton Borough Council Local Plan seeks to permanently erase over a thousand years of history by supersizing Frisby into a large village community. The plan to develop three large and separate sites to the south, north and west of the village will envelop the existing village erasing its identity and creating massive pressure on the existing village infrastructure. The rural heart of the village will be lost forever, it will no longer be a place to visit, and the reputation of the Rural Capital of Food

will be eroded as a consequence. The local village community recognise the potential damage of implementing the current MBC Local Plan. However, they are also pragmatic and accept the council's requirement to build new homes. To this end the Local Neighbourhood Plan has been created. This proposal seeks to meet the housing requirements set by the council whilst retaining the existing village identity. The current MBC local plan disregards the views of the local community who have worked tirelessly to create a workable proposal that best serves the needs of the local people and the wider community. It is the council's duty to maintain the rural communities within its care and preserve the rural heritage of the local area. The council has an ominous responsibility to achieve housing quotas whilst at the same time preserving the character and identity of communities within the borough.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

The council need to comply with the National Planning Practice Guidance in seeking to work with local communities and take into consideration proposals put forward in the Neighbourhood plan. The council needs to work closely with the local rural communities to understand concerns and to communicate openly to identify factors that form decision making and consequent strategies. Development consent for individual sites should NOT be awarded prior to the plan being agreed and implemented.
