MM4

Please provide comments below, being as precise as possible. Comments can support, as well as object.

Appendix 1: Housing Site Allocation Policies

WAL2 Waltham on the Wolds

The new inserted text within the Modifications states that the development will conserve and enhance heritage assets, including the Conservation Area to the north. However, this proposed allocation on land to the east of Melton Road is situated some distance to the south of the Waltham Conservation Area and Listed Buildings. Therefore, the development of the site will not affect any assets or the Conservation Area.

If you are objecting, please set out what further changes you consider necessary to make the plan sound.

This additional bullet point in the Modifications should be deleted as it is not relevant to the proposed Housing Allocation.
