Comments:

The neighbourhood plan has been written for the community of Frisby to deliver a sustainable and manageable housing development strategy for the next 20 years. It is in conformity to the Local Plan housing allocation and endeavours to protect the rural nature and beauty of the village which the residents value so highly. New housing brings new lifeblood to a community but a firm control of the number of new dwelling sites is paramount to ensure that current infrastructure and services are able to cope with additional usage.

I support the neighbourhood plan for Frisby at the level of housing specified within for the village.
