Comments:

I am writing in support of the NP which I believe acknowledges and addresses the need for and provision of additional housing. The NPAC members have worked tirelessly to accurately represent the best interests of the village and its residents by seeking their views in a democratic, impartial and even handed way. Inevitably their conclusions have not found universal approval but in accepting the need for housing their efforts have left us with some hope and belief that Frisby will be able to retain its integrity, character and social identity. We need to ensure that the mix of housing will help re-energise the village and improve its limited facilities and infrastructure. With our infrequent and sometimes irregular bus service and very limited shopping, it would seem irresponsible to expect that social housing needs can be achieved without those residents having a car. We need to encourage first time buyers with affordable housing, provide elderly residents with the ability to stay in Frisby and downsize their homes. What we do not need are more 4/5 bed roomed houses, we have enough already. We need to ensure that the developers have a unique opportunity to help us improve as a village. Play facilities and areas for all children are lacking. Off road parking is needed to relieve traffic problems and improve road safety, and the Village Hall needs a new roof and floor. Frisby Parish Council has sought an alliance with Melton Borough Council and our fate is in their hands. We hope that what Frisby has said does not fall on deaf ears especially in the future when present councillors have left office.

Comments:

As the Chair of Frisby Wine Appreciation Society I am writing in support of the NP. Our meetings are held monthly at Frisby Village Hall. We have over seventy current members and although many live in the village, many have to drive themselves because there is no bus service. The Hall car park is very small and can only accommodate six cars forcing many to street park in an already congested part of the village. At the end of our meetings most cars have to reverse out into the street adding further to on street parking issues. We see an opportunity for the developers to help contribute funding for a larger Village Hall car park. The Village Hall is in daily use and is in need of a new roof and floor, another opportunity for the Developers to demonstrate their goodwill towards our village
