Comments:

As a resident of Frisby my primary concern is to control the number of new dwellings to ensure that the current infrastructure and services are not overwhelmed. The level of traffic in the village causes congestion on a daily basis on all routes, I am pleased to see the plan for new dwellings has highlighted the need to have parking facilities included with the houses. I support the neighbourhood plan in its allocation of housing and the sites chosen but would like to see the 78 house allocation capped for the village for the duration of this plan.

Please suggest any amendments to the plan/policy here. :
