Yes

Do you believe that this Neighbourhood Plan. - Contributes to the achievement of sustainable development.:

Yes

Do you :

Support this policy/part of the plan

Comments:

I support the whole plan particularly in reference to the number of dwellings proposed.

I would not like to see any increase in the quantity of houses allowed within the village as this would lead to a destruction in the nature of the community. The proposal already accepts an increase of a third as regards the number of houses. This is well in EXCESS of the original quota proposed by MBC

Please suggest any amendments to the plan/policy here. :
