Melton Local Plan – Proposed Modifications Consultation – Representation Form

Following the Examination hearing sessions held in January and February 2018, Ms Mary Travers, the independent Planning Inspector appointed on behalf of the Secretary of State, has requested that the Council now undertake consultation on a number of Main Modifications (MM) required to make the Plan sound. The Inspector will consider all of the representations that are made on the proposed Main Modifications before reaching her final conclusions on any changes that need to be made to the Local Plan in order for it to be sound and capable of adoption. Her reasons will be set out in her report to the Council which will be published in due course.

Details of what we are consulting on can be found on the Proposed Modifications Consultation page of the Local Plan website at www.meltonplan.co.uk/mods

MM3

Please provide comments below, being as precise as possible. Comments can support, as well as object.

Proposed Modification MM3 proposes the deletion of the proposed allocation LONG4 at Sandpit Lane, Long Clawson. The modifications seek to justify the deletion of the site on the basis that the benefits of the proposed development do not outweigh the harm that could be caused to heritage assets.

Pegasus made detailed submissions to the Examination including Heritage evidence to demonstrate that the impacts on the Conservation Area and listed building would be less than substantial. We remain of the view that the site should be retained as an allocation in the plan.

If you are objecting, please set out what further changes you consider necessary to make the plan sound.

The allocation of land at Sandpit Lane, Long Clawson should be retained in the Local Plan.
