Whilst it is not the purpose of these representations to provide a detailed critique of specific sites, proposed allocations in less sustainable rural villages, namely those formerly identified as Rural Supporter Villages, should be reduced and compensated for by increasing the housing requirement for Melton Mowbray Urban Area. This will be primarily achieved through recognition of the true capacity of the NSN, which will be able to accommodate up to 2,200 dwellings within the plan period.

**7. Please set out what change(s) you consider necessary to make the Melton Local Plan: Pre-Submission Draft legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness.
